Profile

I am a third-year computer science student at Aalto University. I started coding in January 2021 with simple C# language software. Since then, I have extended my knowledge of coding and science through my studies at the university and my hobby projects. I am interested in web development, software development, and machine learning.

Education

Bachelor's degree in Computer Science

Sep 2021 - Jun 2024

Aalto University

Currently in my third year, I am set to graduate in the spring of 2024 with a Bachelor of Computer Science. The main languages in my studies have been Scala, JavaScript, and Python. Right now, I am focused on learning as much as I can about modern web technologies. I also enjoy creating applications in my free time.
